SECURITY & BEHAVIOR TIPS

FEEL SAFE AT CIRCUIT FESTIVAL

Barcelona is a warm and tolerant city, but you should be sensible and observe certain rules of behavior in order to ensure your safety and remain respectful to Barcelona citizens during the days of the event.

SECURITY TIPS FOR YOUR VISIT:

- At the hotel: do not leave your baggage unattended at any moment when doing the check in and check out.
- At the beach: do not carry large amounts of cash or valuable items. Always keep an eye on your personal belongings.
- On the street and public transport: stay alert and watch your wallet, bag and personal belongings. Watch out for anyone who tackles you on the street. Remember in Barcelona you can be fined if you're wearing only your swimsuit, or if you're without a t-shirt, in any public area that is not next to the beach.
- At the restaurant: do not leave your handbag or valuable items on the table or resting on the seat back.
- At night venues: leave your personal belongings at the cloakroom to make sure they do not get lost or stolen while you are having a blast at the dance floor.

WHAT SHOULD YOU DO IF YOU ARE A VICTIM OF THEFT, DISCRIMINATION OR HOMOPHOBIC AGGRESSION?

- Call 112 to report an emergency situation.
- Memorize and record the description of the authors and place as closely as possible.
- If you have been injured, go directly to the health center and ask for a medical report.
- Make sure that the report includes all the details of the event. In case of a hate crime, make sure to include evidence, details and expressions that prove it.

CONSEJOS DE SEGURIDAD Y CONVIVENCIA

SIÉNTETE SEGURO DURANTE CIRCUIT FESTIVAL

Barcelona es una ciudad acogedora y tolerante, pero te recomendamos que seas prudente y observes ciertas medidas para garantizar tu seguridad y una buena convivencia con sus ciudadanos durante los días del festival.

CONSEJOS DE SEGURIDAD DURANTE VUESTRA VISITA:

- En el hotel: en el momento de llegada y de salida no perdáis de vista vuestro equipaje.
- En la playa: no llevéis objetos de valor y mantened controlados vuestros efectos personales.
- En la calle y el transporte público: vigilad vuestra cartera, bolsa de mano y objetos de valor. Estad atentos a cualquier persona que os aborde en la calle. Recordad que en Barcelona os pueden multar por ir sin camiseta o en bañador en zonas no colindantes a la playa.
- En los restaurantes: no perdáis de vista vuestra bolsa de mano ni objetos de valor. Procurad no dejar vuestros efectos personales sobre la mesa o apoyados en el respaldo del asiento.
- En las discotecas: deja tus objetos personales en el guardarropa para asegurarte de que no se pierden y evitar incidentes mientras te diviertes en la pista de baile.

¿QUÉ HACER SI SOIS VÍCTIMAS DE UN ROBO, DISCRIMINACIÓN O AGRESIÓN HOMÓFOBA?

- Llama al 112 para cualquier situación de emergencia.
- Memorizad y anotad una descripción lo más detallada posible de los autores y del lugar.
- Si habéis sufrido una lesión, por leve que sea, id a un centro sanitario y solicitad un informe médico.
- Aseguraos de que vuestra denuncia recoja todos los detalles del suceso. Si se trata de un crimen de odio, incluid las expresiones, pruebas y detalles que acrediten que se trata de una discriminación.
